What do you think about it. ? Let's go to the gym and we 'll show you how this day has been a great day, where the true sport objets could have been created..

SO, in this COMENIUS PROJECT “ We are the Champoins “,

we met Polish , Czech and Hungarians children.

They have always stayed with us, during school time and free time , in ours homes with our parents.

It's been an important experience for us ! Not only meeting
patners' project or playing sports with them, but also speaking english
language and learning another way of communicating.

**Goodbye dear Polish
friends and please
remember us:
Adam , Elisa , Gaia
and whole the secondary
school of San Pancrazio..**

Thanks to all those who made this experience possible 😊.
